SUPPORT COLLECTIONS

--INTRODUCTION--

This report of Friend of the Court Child and Medical Support Collections is prepared quarterly under MCL 552.520 (requirement added by Public Act 366 of 1996) as an informational management tool in regards to the Michigan Child Support Program

This report had to be modified effective October 1, 2002, due to transition to centralized collections at the State Disbursement Unit during this fiscal year. Collections are now only reported at a statewide level. The report was also amended October 1, 2003 to reflect some Federal reporting changes that add some additional detail to Tables 6 and 7. The report does not include the License Suspension Reporting because very limited information is available but a schedule showing distributions for IV-E clients was added.

The data is reported in two main categories, Available Collections and Distributed Collections:

Available Collections (Table 1) are the total child support payments received at the State Disbursement Unit or County collection point which can reasonably be identified as a child support collection, during the reporting quarter. Available collections include the amount collected for arrears.

Distributed Collections (Total is shown in Table 2) are the total child support payments which are distributed via check, electronic fund transfer (EFT) or other means to the intended final recipient, during the reporting quarter, to IV-D cases. The final recipient includes the custodial family and or State agencies.

The two sub categories of Public Assistance (PA) and Non-Public Assistance (NON-PA) have been redefined into these four sub categories: Current IV-A Assistance; Current IV-E Assistance; Former Assistance (IV-A and IVE); and; Never Assistance (Medicaid and Other). These sub categories apply only to Distributed Collections.

Current IV-A Assistance (Table 4) is distributions on behalf of children who received assistance under the Family Independence Program (FIP).

Current IV-E Assistance (Table 5) is distributions on behalf of children entitled to receive Foster Care assistance under Title IV-E of the Social Security Act.

Former Assistance (Table 6) is distributions on behalf of children who formerly received Title IV-A (FIP) or Title IV-E Foster Care. Beginning October 1, 2004 IV-A and IV-E are shown separately.

Never Assistance (Table 7) are distributions on behalf of children who are receiving services under Title IV-D but who do not, now receive and have never received assistance under FIP or Title IV-E Foster Care. Beginning October 1, 2004 detail is provided for those who had received Medicaid and those that had not.

Distributed as Medical Support Payments (Table 8) is the portion of any distribution that corresponds to any amount specifically designated in a support order for medical support. These payments are also counted within each of the above four sub-categories.

Negative amounts that appear in the "Central Lines" represent adjustments, including timing adjustments, that can only be made at a statewide level.

No conclusions have been or should be drawn from the data. Its use is subject to interpretation. Should you have any questions regarding this report, please contact the Office of Child Support at Noworytd@Michigan.gov.

NOTE: The information in this document is derived from two sources. 1) Data provided by new child support enforcement system (MiCSES). 2) Data entered by the Office of Child Support. All of the data is accumulated on the data warehouse and referred to as OCSE-34A data. The information in these tables agrees with information in sections A 2 and B7 and B8 of the OCSE-34A report.

Report Key: N/A=Not Available. N/R=Not Reported.
